To Whom It May Concern:

We, the undersigned, have acquainted ourselves with the accomplishments of Clara Barton, born in 1821 at Oxford, Massachusetts, and highly recommend her for the Hall of Fame. She was founder of the American Red Cross; was the initiator of the first public school system of New Jersey; was the recipient of many honors for her work on the battlefields of Europe and Asia, where she insisted that humanity demanded the wounded of both sides be cared for; noted for her heroic efforts to alleviate famine in Turkey, Russia, and Armenia; and gave much time, effort and concern to flood victims in many flood areas in our United States.

We respectfully ask your consideration.

Sincerely yours,

Beulah M. Link	Mtd. Rte. 8 Plattsburgh, N.Y. 12901
